This presentation will delve into the latest developments in cybersecurity, highlighting emerging threats and innovative strategies to counteract them. We will explore insights from real-world case studies, current events, and cybersecurity trends regarding how organizations can adapt to the rapidly changing digital security landscape. Attendees will gain a comprehensive understanding of current trends, future challenges, and effective measures for safeguarding their digital assets in an increasingly interconnected world.

RESOURCE EXHIBIT

An MMRMA display will be set up in the meeting area throughout the day Thursday. Please stop by to pick up fun giveaways & informative resources.

MEET THE STAFF

MMRMA staff will be available at events throughout this year's Risk Management Workshop to network with members, answer questions, and provide assistance. We look forward to saying hello!

CEUS

The event mobile app will allow attendees to self-track CEUs, if allowed by your certifying agency.

If you need help with the mobile app, contact the MMRMA Event Planner, Denise McGinn at denise@associationguidance.com
